Upcoming Events

We are looking forward to seeing you all at the **interest meetings on Monday, Aug 31st OR Sep 3rd from 6:00-7:00 pm in the Newcomb Hall PAC room (1st floor)!** Welcome all new and returning members! It's going to be an exciting year!

What to look forward to this year:

- New, optimized research & design schedule and another year of amazing med-device projects!

The 1st Make-A-Thon at UVA ever!

- Social events as well as technical/professional development!

Why should you attend?

- With no intense applications and approachable design experiences, **anyone can be an innovator** with us!
- We value your ideas! Whether it be next steps to approach a problem, or an event that you would love to see happen, we want to make it happen!
- Hear about our Make-A-Thon (Nov 5-8th), a weekend-long innovation race with support from industry professionals, inspired by a relevant healthcare issue happening right here at UVA!

Stay Connected!

- Check out our [Linktree](#)! It includes our Website, Instagram, Events Google Calendar, and more!
- Join the [GroupMe](#)!
- Join the listserv for...
 - FISH... [HERE](#)!
 - Make-A-Thon Updates and Info... [HERE](#)!
- Follow us on [Instagram](#) and connect with us on [LinkedIn](#) and view more information at [frugal-innovations.com](#)
- Join our **September GBM** (Sep 9th, 6-7pm, location TBA) to hear all about how you can get involved with us and learn how to innovate in the medical device industry for the benefit of our local healthcare community!

It was hard of herring.
